TAKE A WRONG TURN TO THE RIGHT PLACE

 @LOSTBRIXTON

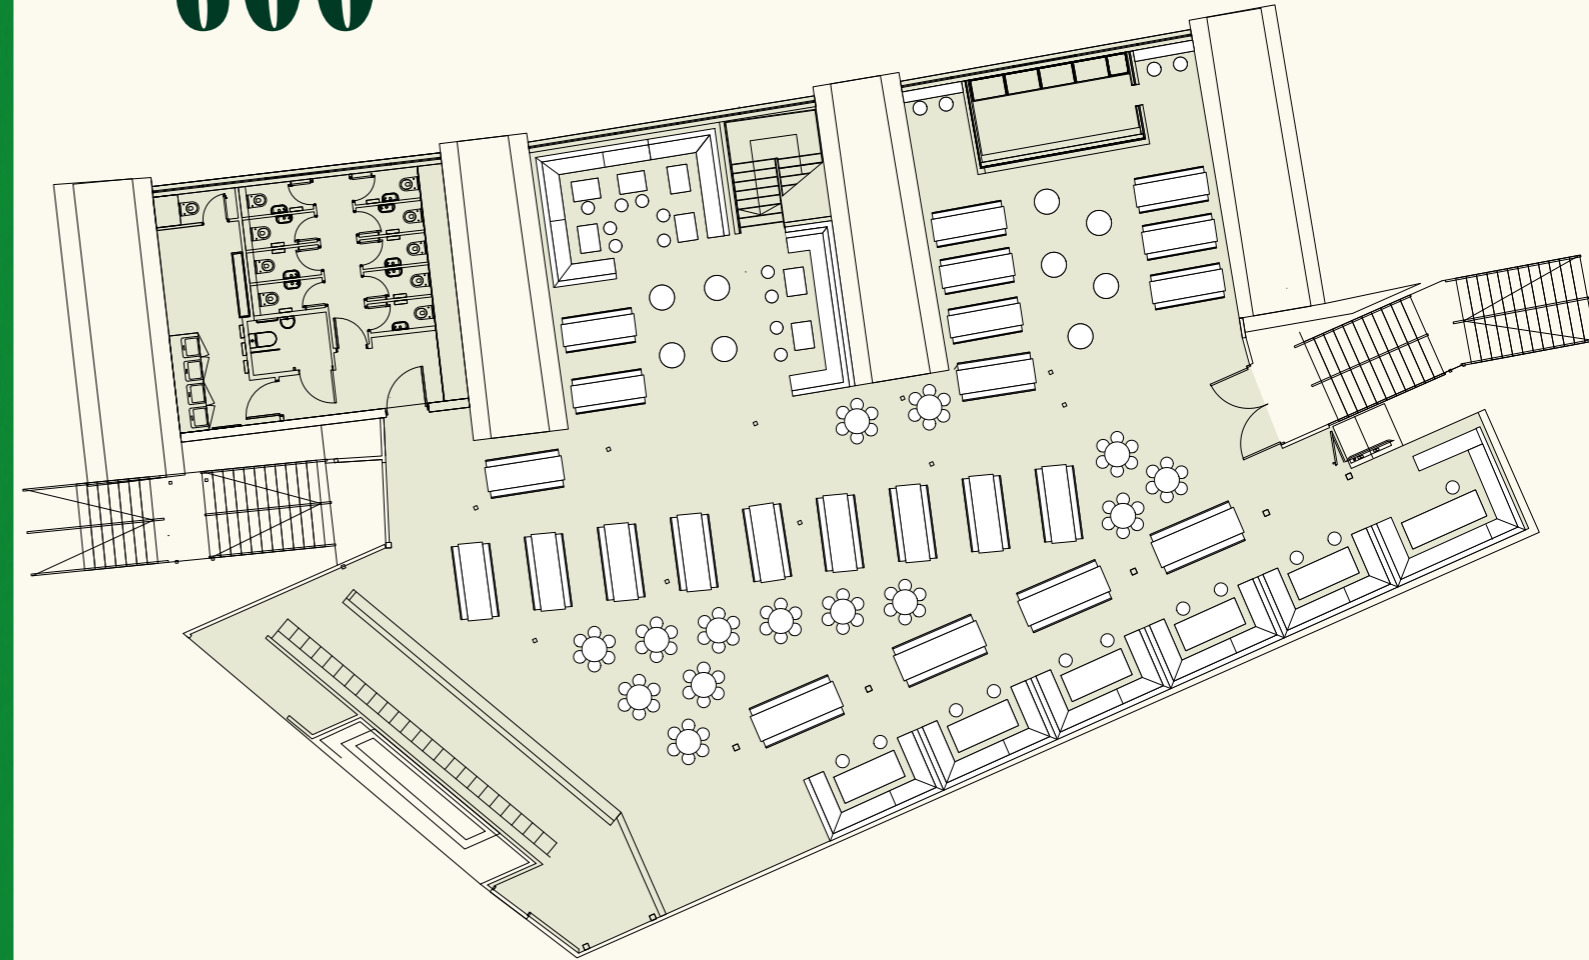

EVENTS

A secluded rooftop paradise in the heart of buzzing Brixton Village, Lost In Brixton rewards the urban explorer with year-round escapism. Tucked away under the railway arches, guests can expect bright murals bursting with colour and beautiful rustic touches that take their cues from Santiago de Cuba on the vibrant island of Cuba.

Lost In Brixton moves with the seasons, opening the roof to let the sun and air in during balmy summer months and closing it tight when the cold draws in, ensuring our guests stay dry and snug.

The centrepiece of Lost In Brixton is our beautiful terrace which was designed to be deliberately flexible, giving you total control of the space for your event whether it's cocktails and dancing with friends, a product launch or the whole company party. We also have a stunning original brickwork archway with its own bar, available for bookings as a semi-private space or as part of exclusive venue hire.
